

Amani RD

LITENET presents a beautifully designed recessed mounted down light for outdoor living. The Amani RD range of outdoor recessed mounted down lights are designed to create an outdoor living experience. To maximise heat dissipation the Amani RD is constructed with premium grade aluminium for rapid heat dissipation and extend the life of the LED. The diffuser is clear toughened glass which gives it a IK 07 rating. This slim lined outdoor down light is finished with Powdercoated flange to protect the fitting against the elements.

The Lite Kinetix is an architectural range of fittings which is designed and constructed to suit the Outdoor weather conditions. This fitting is stocked the stainless steel finish.
