

ALPHA WD

LITENET presents a beautifully designed wall mounted down light for outdoor living. The Alpha WD range of outdoor surface mounted down lights are designed to create an outdoor living experience. To maximise heat dissipation the Alpha WD is constructed with premium grade aluminium for rapid heat dissipation and extend the life of the LED. The diffuser is clear toughened glass which gives it a IK 07 rating. This slim lined outdoor down light is finished with stainless steel flange to protect the fitting against the elements.

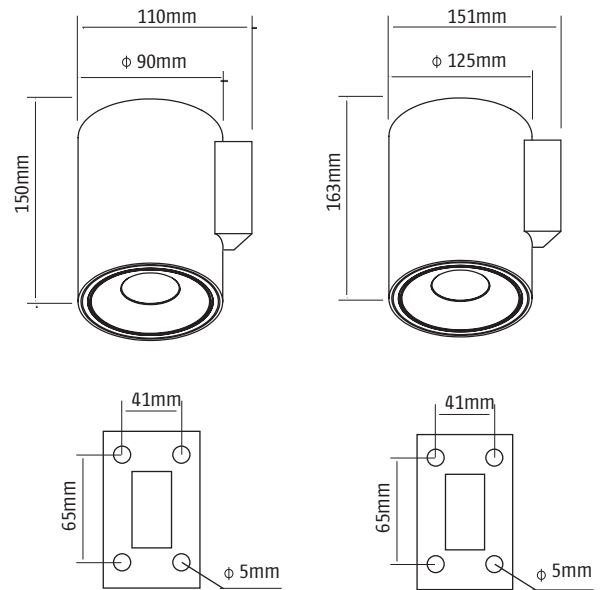

The Lite Kinetix is an architectural range of fittings which is designed and constructed to suit the Outdoor weather conditions. This fitting is stocked the gray finish.
