

**ICON AS120**

LITENET presents ICON AS120 a beautifully designed surface mounted cylindrical light fitting for indoor commercial lighting applications. The ICON AS120 is designed to have a Asymmetric distribution to create a living experience. To maximise heat dissipation the ICON is constructed with premium grade aluminium. This surface mounted down light is created with anti glare properties including a deep set of aluminium reflector. This surface mounted down light comes in powder coated Black or white finish.

The S Lite Kinetix is an architectural range of fittings which is designed and constructed to suit the indoor environment which accentuates comfort and low glare.

Non-dimmable driver is standard DALI dim is available

50,000-hour L80 5-year warranty
