

ROE 14

Litenet presents the ROE range of fixed wall lights that are designed for outdoor Lighting application this fitting is designed for comfort and mood lighting applications. The ROE collection offers a range of fixed wall lights that has a wide beam angle light distribution. This fitting is a slim profile wall light and is available in satin white or matte black powder coat finish. The standard range comes with COB technology CRI80, upon request CRI90 can also be made available.

The ROE range is designed with a generace heat sink using die cast high grade aluminum to maximise heat dissipation which will intern maximise the life of the LED chip. This range of down lights have deep conical housing to minimise uncomfortable glare.

Integral Non-dimmable ECG standard  
Light fitting is designed to 30,000-hour L70 3-year warranty
