

## DLC 90

Litenet presents a range of recessed downlights that are ideal for accent lighting applications with low glare requirements. The DLC range of downlights is designed for commercial lighting applications. This range of fixed-down lights is available in 3000K or 4000K. This low profile downlight is a high performer with over 90lm/w it is suited for many indoor or outdoor lighting applications. This range is available in satin white or matte black powder coat finish. This range of downlights offers two different optics therefore the reflector is interchangeable, different reflectors are used to accommodate mood lighting. As a standard, this range comes with high quality SMD LED technology with CRI85.

Non-dimmable EGC standard, Phase Dim/DALI is optional.  
50,000 hour life 5 year warranty L70
